2. From the Director of Mines & Geology, Government of A.P., Hyderabad file No.24767/R4-1/2011, Dt.19.09.2011.

O R D E R :

Government in the reference 1st read above, granted Mining Lease for Quartz over an extent of 2.10 Acres in Sy.No.159 & 160/2 of Obulapuram (V), D.Hirehal (M), Anantapur District held by M/s Raghavendra Enterprises and the Assistant Director of Mines & Geology, Anantapur has executed the lease on 10.07.2000.

2. The Director of Mines & Geology, Government of A.P. Hyderabad in the reference 2nd read above has reported that the lessee did not fulfill the following conditions and submitted proposals for lapsing of the above said mine held by M/s Raghavendra Enterprises under rule 28(1) of Mineral Concession Rules, 1960 for consideration of the Government:

(i) The lessee has not paid the Mineral Revenue dues

(ii) The lease was kept idle since inception of lease.

3. Government after considering the report of the Director of Mines & Geology, Government of A.P. Hyderabad, it was proposed to lapse the above mining lease held by M/s Raghavendra Enterprises and accordingly, a show cause notice was issued in the reference 3rd read above under rule 28 (1) of Mineral Concession Rules, 1960 as to why the Mining Lease held by them shall not be declared as lapsed, and submit their explanation/ representation within 15 days failing which it will be construed that they have no explanation/ representation on the action proposed and further action will be taken on the material available with the Government.

4. It should be noted in this regard that mineral wealth is the wealth of the nation and should be put to use for public good. Government gave mining lease so that the lessee company could do mining scientifically within the prescribed time limits and use the mined mineral. Such a mine would generate revenue for the State by way of taxes, employment for the local people and give boost to the overall economy of the region besides industrializing the area. None of these objectives could be achieved due to the abject failure of the lessee company.
